

Heart Flow Worldwide

Spiritual Forum

28 – 30 December 2018

Sanctuary of the Heart, Daylesford

Love is not seen in movement or action but is the stillness that directs the spirit in the heart of all.¹

Presentations

Edgar Cayce “Psychic” Extraordinaire. As a psychic he was able to access Astral planes far beyond those which are accessible to the ordinary psychic. While all extraordinary people are subject to criticism from one source or another, for one reason or another, the fact remains that Cayce helped very many ordinary people come to terms with their problems in life. And, he exposed us to the world of the Atlanteans, in a manner not previously described to the best of my knowledge. (Charles Reither)

From Limitation to Liberation: life, death and immortality. A contemplation on the subject of death. “The eternal questioning of the human heart – whence, why, whither and where?” Life in transition – a divine adventure. (Arjuna Govindamurti)

Lord Jesus – Man, Messiah & Master. We can learn much about the qualities of a Living Master from the extraordinary life of Jesus of Nazareth. This talk retraces the story of the life of Jesus, drawing from the words of those apostles who witnessed his life first hand,

accompanied by a selection of history’s most beautiful paintings that capture the essential moments in the life of Jesus. (David Mandara)

Teachings of Ananda: Maitreya Theosophy (I, II, III). In these modules, we will listen to an audio recording of Ananda Tara Shan speaking about a topic in Maitreya Theosophy, and then together ponder and discuss the content in a study group setting. Whilst it is advantageous to attend all three sessions it is not necessary to do so. (Thomas Nielsen)

The White Tara – The Way of the Heart I & II. In these two sessions, we will explore extracts from a talk given by Ananda Tara Shan, called The White Tara – The Way of the Heart. Some of the extracts we will explore include: Who and what is The White Tara – The Mother, The White Tara as the doorway to the Heart of the Lord Maitreya – The three powers which will bring about Earth’s rebirth – The Doctrine of the Heart, the new world religion – The White Tara’s role in the evolution of the Earth – The importance of the heart centre. (Con Xanthos)

Meditation

The morning Meditation is a guided meditation, using a technique from the Shan Theosophical Meditation System such as the Flame Meditation, The 17 Steps to Perfection, the Divine Heart Meditation or the Puja. (Aida De Murashkin, Annie Mai Hartley, Con Xanthos, Dorte Moltsen)

Meditation Service

The afternoon Meditation Service uses invocations, meditation, mantra singing and decrees to develop the heart through healing service. (Aida De Murashkin, Annie Mai Hartley, Dorte Moltsen)

The New Year's Eve Service is an Earth Healing Service held after the Spiritual Forum concludes. The Service uses invocation, prayer, music, ceremony and meditation. It is held in the Sanctuary of the Heart and starts at 9.00 pm on 31 December. Please note that there is no late entry.

Concerning participation in the Spiritual Forum

If you have a serious physical or psychological condition, you are advised against taking part in activities that call upon spiritual energies, without prior consultation with an experienced meditation teacher. Where serious illness or imbalance is present, it is recommended that the body and mind focus on healing and regaining balance. In these cases it is better to work on healing, in cooperation with health care practitioners through, for example, relaxation, positive thinking and stress reduction. Also, if you use or have used illegal drugs, psychoactive medications (for example, antidepressants, mood stabilisers, tranquillisers, hypnotics and so forth), or alcohol (more than the occasional social drink), a minimum of 3-7 years free of using such substances is recommended before it is advisable to participate in spiritual work.
